Helping Estate Agents and Sellers Get Through the
Home Selling Process Faster!

No more chasing sellers!
No more paperwork!

Benefits for estate agents

We provide estate agents with a digital platform to speed up the home selling process in England and Wales. Our platform enables estate agents to track, manage and digitalise legal onboarding for home sellers.

Reduced admin costs

Faster time to exchange

Less fall throughs

Enhanced customer service

Compliant with changing regulations

Get paid faster

Benefits for your sellers

For the first time, your sellers can get ready with the legal onboarding process at the point of listing their property. By providing home buyers with more legal information upfront sellers can speed up the sale process.

Reduce the time to exchange by up to 4 weeks with upfront searches
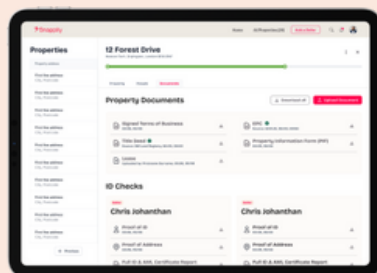

Digital legal forms

Guided legal process
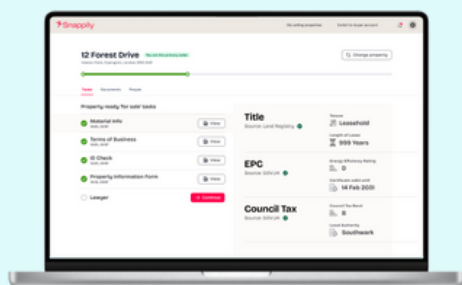

Task tracker

Key Features

Upfront legal packs for buyers

Digital ID and AML checks

Online onboarding tracker

Branch analytics
